**AMENDMENT TO CONSENT DECREE**

Under the Section 10 of the Consent Decree entered September 18, 2018 in the above-matter, Cloverland Farms Dairy (“Cloverland”) is to provide all supervisors and managers and all individuals with human resources responsibilities with at least one hour of live training on the requirements and prohibitions of the ADA on two occasions. The parties informed the Court that the first live training was conducted in December 2018. Because of safety issues relating to the current COVID-19 pandemic, the EEOC and Cloverland have agreed that the second training will not be live but instead will be conducted by computer.
